

P.E. Funding Report to School Governors – Summer Term 2017

This academic year North Kidlington School received Sports Premium funding of £9,255, this funding can only be spent on P.E. and sport provision in schools. Schools are held to account for how spend their sport funding and OFSTED Inspectors will use evidence to assess the impact of additional funding on improving the quality and breadth of P.E. and sports provision.

At North Kidlington School we have again joined the North Oxfordshire School Sports Partnership.

This entitles us to:

- Be provided with a well-managed School Sports Partnership structure and guidance from a specialist School Sports Co-ordinator
- Be supported to improve our provision for P.E. and school sport
- Be provided with occasional qualified sports coaches to work alongside teacher when teaching P.E.
- Be supported to deliver targeted extra-curricular activity clubs (e.g. NK Beans Club)
- To organise, co-ordinate and deliver specified inter-school sports competitions and festivals for children of all abilities and ages
- Support the development and delivery of intra-school competitions and festivals
- Provide details of quality assured community clubs, leisure provided and coaches offering extra-curricular and holiday sports clubs
- Offer programmes of professional development in P.E. and Sports for school staff
- Network opportunities for our schools P.E. Co-ordinator (Mrs Harvey)
- Provide us with regular national and local updates relating to P.E., healthy active lifestyles and school sport.
- Provide us with support from specialist P.E. teachers to work alongside teachers when delivering P.E.
- Organise support and training for teachers delivered by the Youth Sports Trust
- Assist us in gathering data to complete our Annual Sport Premium Survey.

As a direct result of the school receiving the Sports Premium funding we have had the following opportunities:

‘The additional sports funding is being used particularly effectively. It is developing great pupil enthusiasm for participation in many different sports, and giving them more opportunities to compete with other schools. They have a better understanding of healthy living, and teachers are rapidly developing new skills in their teaching with the guidance of a specialist sports coach.’ OFSTED December 2014

CPD – Continuing Professional Development

Lee Smith as our North Oxfordshire School Sports Mentor has been working with various class teachers and classes this year. In Terms 1 & 2 he began in FSU where he worked alongside teachers to develop their skills. He also worked in Year 3/4 where he developed their planning and delivery of Dance. Lee modelled sessions to show how a link can be made between Multi-skills activities and Dance activities. During Terms 3, 4, 5 and 6, he worked alongside KS1 teachers to support them with their P.E. delivery. Working with KDG they planned and carried out athletics lessons with Year 6. Some lessons took place in Gosford Hill School where we were able to use their high jumping facilities amongst others and some happened in school using GHS equipment. Furthermore, Lee worked in lessons to extend the more able children and support the less able children during his sessions. Also, he has worked with me (Keri Dallimore-Gray) to support me in my role as PE Coordinator. Finally, Lee Smith trained our new Young Leaders to prepare them for the new academic year.

Throughout the year, Lee Smith has been working with groups of children across the school where the focus of each session has been boosting mental maths skills through Sport using the ‘ActiveMaths’ programme. We have found that these sessions have helped the children to improve their mental maths skills.

During the Autumn and Spring Terms Nathan Hunter and Lee Smith ran our Change 4 Life Club. This club is targeted at children with low P.E./Lifestyle i.e. participation, in Year 3 & 4.

Being part of the North Oxfordshire Sports Partnership as an option 3 school we are members of the Youth Sports Trust (YST). Since joining the YST, I carried out the YST Quality Mark Self Review and we are awaiting our result.

School Games Competitions

Since the funding was put into place, as a school we have been able to participate in a wider variety of School Games competitions at Level 2 (Inter-School) & Level 3 (County). We have been able to do this because we have had the money to pay TAs to either take the groups to competitions or to cover the teachers who are taking large groups of children to competitions. We have also been able to fund coaches to transport the children to events that have taken place further afield.

This year we have taken part in the following competitions and festivals:

- Year 3 Team Building Festival (All children)
This festival was targeted Year 3 children to aid their transition from Infants to Lower Juniors.
- U9 Football (10 children)
Our team were runners up in the Level 2 Kidlington Competition.
- Year 5/6 Rugby (40 children)
Our A team were runners up in the Level 2 Kidlington Competition.
- Cross Country Competition Year 1-6
48 children took part in the competition. One child from each year group came in the top 3 with two children qualifying for the North Oxfordshire County Finals. Of those two children, one child qualified for the Oxfordshire Finals where she was placed 5th out of over 50 children.
- Year 5 & 6 Kidlington Swimming Competition (8 children)
Our A team were runners up in the Level 2 Kidlington Competition.
- Year 4 Dodgeball Festival (16 children)
This competition was designed to raise the profile of dodgeball and for the children to enjoy themselves – it was not competitive.
- Year 4 Multiskills Festival (All children)
This competition was designed for the children to enjoy themselves and develop their communication and sporting skills – it was not competitive.
- Year 3 & 4 Targetted Football Competition (10 children)
This competition was designed for children who have weaker football skills in order for them to develop their skills in a safe/non-judgemental environment and develop a greater enjoyment of the sport in a less pressured environment than the school playground or PE lessons - it was not competitive.

- Year 5 & 6 Kidlington Hockey Competition (10 children). Our team were winners in the Level 2 Kidlington Competition. We then went through to the North Oxfordshire County Final (Level 3) where we came second.
- Year 5 & 6 Kidlington Netball Competition (9 children). Our team were runners up in the Level 2 Kidlington Competition. We then went through to the North Oxfordshire School Sports Partnership final (Level 3) where we came second.
- Year 5 Multiskills Festival (All children)
This competition was designed for the children to enjoy themselves and develop their communication and sporting skills – it was not competitive.
- Year 5 & 6 Kidlington Gifted & Talented Sportshall Athletics Competition (16 children)
- Year 3/4 Mini Tennis (8 children)
- Year 3,4,5&6 Quadkids Competition (20 children) Level 2
- U11 Football (10 children). Our team were winners in the Level 2 Kidlington Competition. There was no progression
- Year 5 & 6 Kidlington Kwik Cricket Competition (50 children) Level 2. Our U10 boys' team were winners in the Level 2 Kidlington Competition. We then went through to the North Oxfordshire School Sports Partnership final (Level 3) which we placed 4th.
- Year 1 Multi-skills festival (all children)
This competition was designed for the children to enjoy themselves and develop their communication and sporting skills – it was not competitive.
- Year 2 Multi-skills festival (all children)
This competition was designed for the children to enjoy themselves and develop their communication and sporting skills – it was not competitive.

Participation

During the 2015-2016 year I monitored the whole school sporting participation.

Participation in North Oxfordshire Sports Partnership Competitions and Festivals

For the first year **100%** of children from Year 1 – Year 6 took part in North Oxfordshire School Sports Partnership competitions and festivals. During 2015-2016 **88.3%** of children from Year 1-6 took part in in North Oxfordshire School Sports Partnership competitions and festivals, so there has been a **12% participation increase** across the school this year.

Sports Premium Funding

We received **£9, 255**

£8, 182 paid to NOSSP, leaving **£1, 073**.

The remaining **£1, 073** was used to fund:

- Transport costs
- TA overtime to accompany children to the various arranged events

Next Steps for the academic year 2017-2018

- Start the 'Wake up, Shake up' initiative each Monday, Wednesday and Friday morning again (or something similar) to improve the fitness and activity levels of each child and some parents in our school as well as ensuring children have 30 minutes structured activity a day in school.
- Set up a new Sports Team (consisting of Sports Leaders and Sports Reporters) to help with the organisation of sport across the school and allow a pupil voice in decisions being made. Continue to take part in North Oxfordshire School Sports Partnership Competitions and Festivals.
- Continue to improve teaching and learning in PE through the NOSSP mentoring system.
- Increase the amount and range of after school clubs using the increased sports funding.
- Use the new school website more effectively to raise the profile of sports and celebrate our achievements with the wider community
- Review the assessment procedure across the school and amend and improve where needed.
- Work out how to implement and evidence children doing 30mins of structured activity at school per day and 1hr activity each day.
- Encourage children to become more active at playtimes through the 'Sports Activators' and Young Leader initiatives.

Overall, without the Sports Premium money the North Oxfordshire School Sports Partnership would not be able to provide such a wide variety of competitions and coaching opportunities for the children and staff at North Kidlington Primary School. I feel strongly that the Sports Premium Funding has continued to have a positive impact on the health and physical fitness of the children in our school.

Keri Dallimore-Gray
PE Coordinator
