Year 2 Study Book Homework

Dear Parents,

To prepare your child for their Year 2 SATs, we have purchased a set of CGP Maths Study Books which will run alongside the work we are doing in the classroom. This homework is to replace the previous 30 minute task that some of you may remember from older siblings.

During the term, we will be setting Maths Study Book tasks for homework on a weekly basis. The homework will consist of a specific page from the book and will cover a variety of areas of the curriculum. This homework will be set on a Thursday and must be returned to school by the following Thursday. We would expect your child to spend approximately 30 minutes on this task. Please do not do additional pages as this could cause confusion if that area of learning has not yet been covered in class. We then ask that you mark your child's work with them as this ensures that you are aware of their strengths and weaknesses. It also gives your child immediate praise as this is a valuable stage of the learning process. When you return the book to school, sign the cover sheet and add any relevant comments so that we can adjust our teaching to meet your child's needs. We will also comment where appropriate and sign the page of work that they completed.

Please continue to carry out the following homework tasks:

Year 2	Reading with an adult Reading Response task Mathletics Spellings and reading flash cards	5 x 10 minutes weekly No set time 5 x 10 minutes weekly 5 x 10 minutes weekly
---------------	---	--

We would like to thank our parent association, FONKS (Friends of North Kidlington) for their generous donation towards the cost of purchasing these new workbooks for the children.

Many thanks for your ongoing support,

Z. Claxton
