

Dear Parents/Guardians,

### Apple Class Trip to the Fire Station

Apple class had a very exciting trip to the fire station yesterday. When they arrived, there was a call out and the children got to see the fire station come alive with people preparing to go out on a call. As the trip had to be curtailed, the people from the fire station very kindly brought a fire engine over to the school for the children later on in the day. As you can see they had an amazing hands-on time looking at the fire engine and learning about important roles in our community.

### Kidlington Christmas Lights Switch-On

Our lovely choir are singing right after the switch-on on the stage in the high-street. It would be fantastic if you could pop along and support them.
